

# Imagine Cup

# Junior

**Teach the concepts of Artificial Intelligence (AI) and Machine Learning to students in grades 9 - 12 and join a Global Technology Challenge!**

## WHAT IS IMAGINE CUP JUNIOR?

Imagine Cup Junior is a Global Challenge, that invites secondary students to bring their ideas to life using the power of AI. This year's theme is AI for Good, focused on solving social, environmental and cultural issues.

**REGISTER**

## WHY PARTICIPATE?

- Students will learn about Artificial Intelligence, Machine Learning, and Cloud Computing and how to apply these concepts in the real world
- Teachers receive access to comprehensive learning modules
- Encourage students to develop and practice 21st-century skills like communication, collaboration, critical thinking, and creativity.
- Prepare students for future job roles.
- Provide an opportunity to innovate and create for a good cause.
- Receive ongoing support through a Canadian Mentorship Microsoft Team and attend optional drop-in sessions
- Receive FREE Microsoft Azure AI Fundamentals Credentials (\$150 value)

**Learn more and join Imagine Cup Junior Canada:**

**REGISTER**

## DETAILS

- Teams consist of between 2 & 6 students, ages 13 - 18
- Submission Deadline is May 21, 2021.
- Winners announced June 10, 2021
